

# Order of Play

- ⦿ More Internships
- ⦿ Last Week's Answers
- ⦿ Very Quick Recap
- ⦿ Commands and Handout

# More Internships

- ◎ House of commons
  - Social and General Statistics
- ◎ Airbus
  - Political Affairs Assistant

# Very Quick Recap

## ◎ Crosstabs:

- Calculating the expected values:

$$E = \frac{n_{column} \times n_{row}}{n_{total}}$$

## ◎ Chi-square:

- Yet another equation:

$$\chi^2 = \sum \frac{(F_o - F_E)^2}{F_E}$$

# Commands and Handout

- ◎ This week we'll use:
  - tab, generate, replace
  - row, col, chi2, if
- ◎ Don't worry too much about the handout (it's pretty long); you can skip to the task if you prefer
